Ref RT 5035 Margate Renewal of Line Side Signal Cables

Dear Simon

I would like to pass on my thanks to your company and the staff involved in bringing to a successful conclusion under difficult weather conditions the re newel of existing line side cables including correlation and commissioning under SMTH.

The successful completion of this project was due entirely to the commitment and professionalism of the teams involved.

On behalf of Bob Bradley and myself thank you once again.

Colin B Waters

A handwritten signature in blue ink, appearing to read "CBW", with a long horizontal flourish extending to the right.
